Dear Neighbor,

This letter is to inform you that the existing house at 7 Ware Lane will be torn down next month. I would like to assure you that we will do everything we can to minimize inconvenience to you.

While work will not commence in earnest before the week of May 16, the owner of the property has given permission for the Marblehead Fire Department to use the house for a training exercise, which could take place as soon as May 1 (specific date is still TBD). Thereafter, the demolition process likely will take about two weeks to complete. We do not anticipate that it will cause major disturbances to traffic flow in the neighborhood.

We will be taking safety precautions, including fencing off the property and posting "no trespassing" signs. Please ensure that your children understand that the property is strictly off limits, especially during the demolition process and throughout the construction that will follow.

If you have any questions or concerns, please contact me at 781-727-5715 or via email: doug@brentongray.com

I appreciate your understanding and cooperation.

Sincerely,

Doug Schluter
